Club 56 Class Covenant 2009/2010

As a Club 56 student, I understand that it is a privilege to be part of the Club 56 ministry. I understand that my leaders are volunteers who put time and energy into preparing a lesson to encourage me and help me grow in my knowledge about God. I understand that "Hang Out" time is a time before each service that I can eat, talk, play and hang out with my friends. I understand that the praise and bible lesson time is a time to focus on God and Honor Him. I understand that it dishonors God when I choose to disrupt, be disrespectful or draw attention to myself during time of worship. I understand that my behavior is a reflection of my character, my walk with Christ, and my family. I will show respect to authority, my leaders, the church property, the other students in Club 56 and to God. I understand that if I chose to disrupt or be disrespectful that steps will be taken by the teacher. They are:

- A verbal warning will be given
- If I continue to disrupt I will be sent out of Club 56 and will sit with the security guard and my parents will be notified after service.
- If I choose to continue to disrupt in Club 56 I understand that I could lose my privilege of attending Club 56 and a meeting will be set up with my parents, the teacher involved, and the church staff.
